

## About Katherine Turpin

Katherine has more than 15 years of IT recruiting experience and has developed a deep network of industry connections across the Twin Cities market. She spent 10 years at Robert Half Technology, rebuilding and expanding the IT Search practice, creating a team that consistently performed in the top 10% at the company. She then spent 3 years in corporate recruiting for fast-growing companies like Buffalo Wild Wings and Prime Therapeutics. With both corporate and agency experience, Katherine has a solid understanding of technology as a whole, as well as the specific roles she recruits for. She excels at relationship-building and collaborating with all levels of candidates and clients.

## Testimonial

“Katherine is a dedicated and hard-working recruiting professional whose organized approach to each position filled yields optimal results. She has a long and proven track record of keeping both her hiring managers and candidates up-to-date on the process, and she also uses her extensive recruiting experience and resources to effectively select the right candidates to present for each position. Katherine is also an individual who consistently demonstrates exemplary integrity and discretion in all of her communications and interaction. It has been a pleasure working with Katherine and I certainly recommend her highly.”

- June Moua, Sr. Recruiter/Talent Sourcer, Prime Therapeutics

## About Versique

Versique is one of the largest talent acquisition firms in the Midwest, and specializes in both consulting and permanent placement. Our team has more than 350 years of combined experience, and specializes in the following practice areas: IT, HR, digital marketing, engineering/operations, finance/accounting, sales, CPG (consumer packaged goods), and executive retained search. We have filled thousands of positions and our network of connections is one of the strongest in the industry. We create amazing connections.
