FOR IMMEDIATE RELEASE:

## Versique Search & Consulting Makes the Inc. 5000 List

With Three-Year Revenue Growth of 92% Percent, Versique Ranks Among America's Fastest-Growing Private Companies

**[Minneapolis, MN] August 29, 2023**— Inc. revealed today that Versique Search & Consulting ranks on the 2023 Inc. 5000, its annual list of the fastest-growing private companies in America. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Over the past 3 years, Versique has seen a rapid growth of 92%.

"Being recognized on the Inc. 5000 list is an honor, and a testament to Versique's unwavering commitment to its core values, including continuous improvement and winning through service and trust," says Versique CEO Tony Sorensen. This achievement reflects not just our growth, but the collective dedication of our employees, visionary partners, and loyal clients, candidates, and consultants. As we continue to evolve and inspire, Versique remains dedicated to redefining industry standards within the recruitment space, focusing on winning relationships over deals."

The Inc. 5000 class of 2023 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue growth rate ticked up to an astonishing 2,238 percent. In all, this year's Inc. 5000 companies have added 1,187,266 jobs to the economy over the past three years.

For complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, location, and other criteria, go to [www.inc.com/inc5000](http://www.inc.com/inc5000). The top 500 companies are featured in the September issue of Inc. magazine, available on newsstands beginning Tuesday, August 23.

"Running a business has only gotten harder since the end of the pandemic," says Inc. editor-in-chief Scott Omelianuk. "To make the Inc. 5000—with the fast growth that requires—is truly an accomplishment. Inc. is thrilled to honor the companies that are building our future."
