[Minneapolis, MN] October 27, 2023— Versique Search and Consulting was selected as one of the 2023 Fast 50 honorees by the Minneapolis St. Paul Business Journal. These awards recognize 50 privately held companies based in the Twin Cities with some of the fastest revenue growth between 2020 and 2022.

"Securing a place on the MSPBJ Fast 50 list is a true honor, and it underscores Versique's commitment to our core values, which encompass a tireless dedication to improvement and achieving success through trust and exceptional service," expresses Versique CEO, Tony Sorensen. "This accomplishment not only signifies our remarkable growth but is a tribute to the dedication of our exceptional team, visionary partners, and the support of our clients, candidates, and consultants. As we move forward, Versique remains steadfast in its mission to redefine industry standards within the recruitment space."

Versique ranked #21, with a growth rate of 115.66% since 2020. Versique and other honorees were featured in the Business Journal's annual Fast 50 publication Oct. 27, and was celebrated at a private awards event Oct. 26 at U.S. Bank Stadium.

To be eligible for the Fast 50, companies must be independently owned, privately held, for-profit businesses headquartered in the Twin Cities 24-county metro area. They also must have year-over-year revenue growth for each of the three most recently completed fiscal years and at least \$1 million in revenue for the base year of the project (2020). Participating companies also had to submit financial statements to an independent accounting partner for this year's project, EisnerAmper, which was tasked with analyzing those documents to ensure eligibility and verify revenue numbers.
